

Product name: Ryanair Fly Booking Web App

Tester name: Ewelina Linek

Test date: 13.06.2018

Environment: Windows 10 64 – bit, Chrome 67.0.3396.87 (64 – bit)

Used tools: Greenshot

Defect ID: 01

Description:

Incorrect translation of the word "Save" (*Screenshot 2*). The English word "Save" has been translated word to word into Polish (*Screenshot 1*).

This is unclear to the user and I think that it does not comply with the specification.

I checked ticket reservations in German. However, in this case everything has been translated correctly (*Screenshot 3*).

Actual:

"Zapisz"

Expected:

„Zaoszczędzisz” or „Oszczędzasz” or „Oszczędzisz”

Importance:

Minor

Steps to reproduce:

1. Go to the www.ryanair.com
2. Switch web page language to polish
3. In the flight search component provide below data (or other parameters to find flight with the discount amount displayed to the user) and click "Let's go"
